Leadership Through Laughter

**Led by Peggy Eserkaln
with Angie Fralish and Morgan Fisher**

**The wicked leader is he who the people despise.
The good leader is he who the people revere.
The great leader is he who the people say,
"We did it ourselves."
~Lao Tzu~**

Come join us for one or more of our workshops to enhance leadership skills and improve cooperative ventures with the best bonding agent of all: LAUGHTER! Peg, Angie, and Morgan will lead participants through highly participatory exercises designed to encourage listening and building on others' ideas (Yes, and...), supporting others (Make your Partner look Brilliant), keeping your eye on the goal (Serve the Scene), accepting new ideas (Suspend Judgment), and much more. Specific programming will also be offered to students interested in developing their skill as improvisational artists and performing in a Friday night show.

Peggy Eserkaln has spent the last fifteen years creating, developing, directing and improving programs that teach people to lead in a cooperative and enjoyable manner. She is the founder of Educational Improvisation, Inc, Director of the West De Pere Summer Arts Institute, former co-director/actor at Comedy City in DePere, WI, and brings more than 15 years of stage experience. She is a speech-language pathologist in the Green Bay Public Schools, and has worked with the Green Bay Packer organization and Nike.
