

MOMENTS OF EXCELLENCE

STAFF SERVICE AWARDS

BRENDA SCHAEFFER

November 2007

Category: Excellent Teamwork

Brenda Schaeffer, administrative assistant for the Department of Nursing, was named the recipient of the Staff Senate Moments of Excellence Award for November. Schaeffer was recognized for **“excellent teamwork”** for working with the nursing faculty to finalize the Associate of Applied Science in Practical Nursing (AASPN) self-study which is required by the National League for Nursing Accrediting Commission (NLNAC) for program re-accreditation. Realizing the department would be especially busy with an upcoming visit from representatives of the Krasnoyarsk Medical Academy in Krasnoyarsk, Russia, she worked diligently to complete and submit the document ahead of schedule, allowing the nursing faculty to focus on their guests. Schaeffer also used her expertise to format the document to give it a professional looking appearance.
