Note: Teachers teaching courses for high school credit at any level must meet high school content major/major equivalency standards.

A middle level major equivalency endorsement consists of 24 semester hours for a single content area verified through official transcripts from a state-approved college of teacher education. All major equivalencies must meet North Dakota Teacher Education Program Approval Standards. A major equivalency will not change the level of preparation of the applicant unless completed with a student teaching or clinical practice option.
